## ELISABETH ALVARADO

TEACHER-AUTHOR & BLOGGER

Elisabeth created Spanish Mama for language teachers and Spanglish families: a space to explore language learning, gather ideas, and think out loud on multicultural living.

Elisabeth is passionate about putting students and readers in touch with living language and culture. Spanish Mama is now a virtual library of Spanish resources and ideas, for both parents and teachers.

She also creates and sells materials on Teachers Pay Teachers, for PreK to High School.

A teacher and mom of 2, Elisabeth currently lives in Peru, where her husband is from.

She has a B.S. in Elementary Education from UNC-Chapel Hill and has taught grades K-12.
