## How to make and use the mini-book:

- Print pages 3-6 front to back. You may need to adjust the settings on your printer so they print along the correct edge.
- Fold the booklet in half and color.
- Cut out the squares on p. 7 and glue them onto the corresponding pages in the mini-book.
- Read the book out loud to the students or send home to read with parents. After a few readings, the students will probably try to guess the picture under the flap and can practicing saying the foods.

Here are pictures of the completed book:

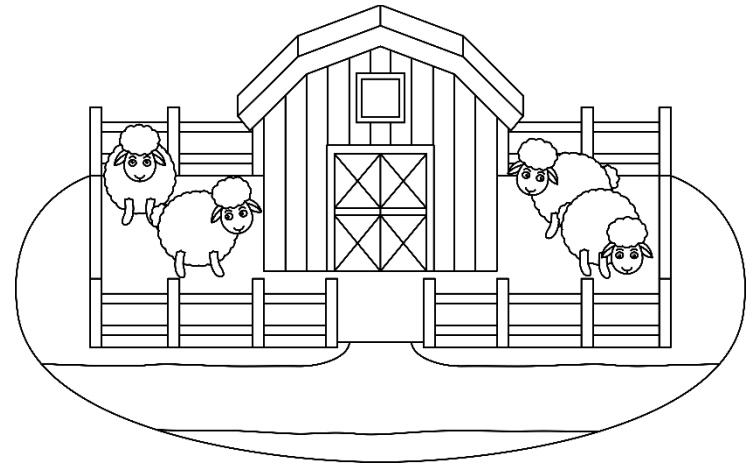

¿Qué comes tú (you)?

Yo (I) como

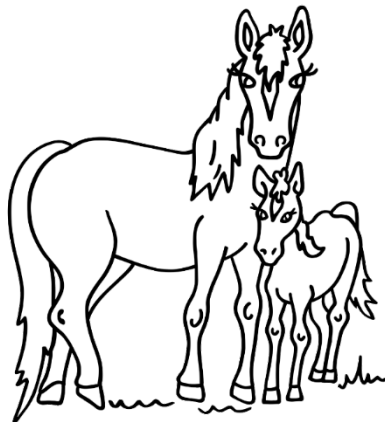

-----

¿Qué comen los  
animales?

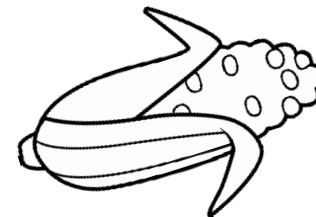

por -----

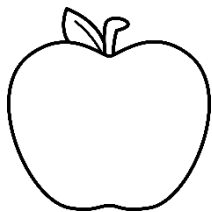

Cuando el caballo tiene hambre,  
¿qué come?

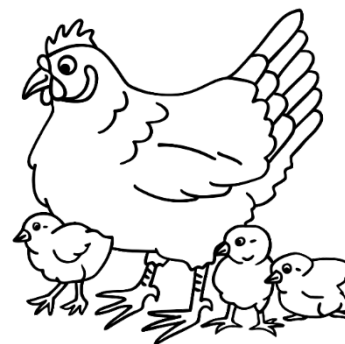

Cuando el pollito tiene hambre,  
¿qué come?

.. el maíz.

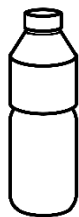

... la manzana.

Cuando el perro tiene sed,  
¿qué toma?

... el agua.

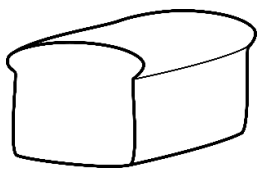

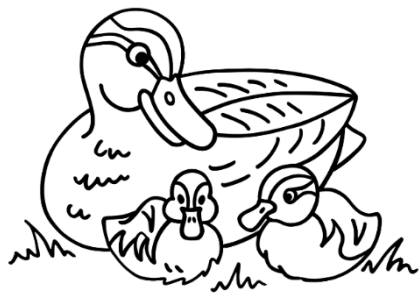

Cuando el gato tiene sed,  
¿qué toma?

...la leche.

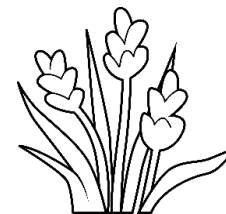

Cuando el pato tiene hambre,  
¿qué come?

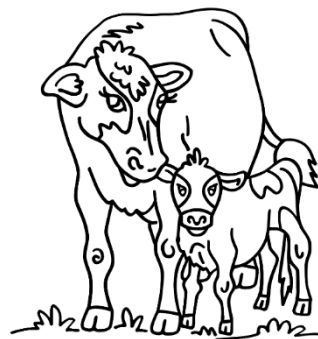

... el pan.

Cuando la vaca tiene hambre,  
¿qué come?

... el trigo.

Cut out the squares and glue into the booklet to make lift-up flaps.
